The sun-filled kitchen has been updated with granite countertops, a gas stove, and newer appliances. The eat-in area is perfect for more casual dining, and the kitchen window seat overlooks an incredible garden—your own private park in the city, spanning over 7,600 square feet.

The primary bedroom features two walk-in closets and a balcony. The expansive ensuite bathroom includes a vanity with double sinks and a stand-up shower. This floor plan offers plenty of space for families and guests.

The fully finished basement provides even more flexible space to suit your lifestyle. An oversized double garage, along with room for three additional vehicles, offers parking for
