Welcome to the Damon model â€“ where style meets functionality! Built by a trusted builder, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you.

This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing, plus an electric car charger rough-in, itâ€™s designed for sustainable, future-forward living.

Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switchesâ€”all seamlessly controlled via an Amazon Alexa touchscreen hub. This thoughtfully designed home features a separate entrance, perfect for future development. A main floor flex room with elegant double doors adds versatility, while the executive kitchen boasts built-in stainless steel appliances, gas cooktop, fridge with water & ice, and a spacious walk-in pantry. Relax in the great room with gas fireplace, step out onto the rear deck, or enjoy your morning coffee on the upper floor balcony. Upstairs offers a vaulted ceiling in the bonus room, a 5-piece ensuite with tiled walk-in shower, soaker tub, and dual sinks in the main bath. Bright and airy with additional windows throughout!
